
5th Technical Meeting for archery coaches

Â

On Sunday, 2ndÂ of December, the 4th Technical Meeting for archery coaches of

Madrid took place in the installations of the CTTAM

Â

15 coaches from the Community of Madrid had the chance to attend the seminar, conducted by

Juan
Carlos
Holgado, Olympic Champion in

Barcelona 1992 and currently Events Director of FITA.

Juan

Carlos, with his long experience and deep knowledge in archery, presented to Madrid´s coaches, with theÂ help of some of our young archers,Â the most efficient methodology and the corresponding exercises for a proper teaching of the archery technique in various levels. The last part of the seminar was dedicated to resolve all questionsÂ emerged from the meeting.

We thank

Juan
Carlos for his presence and constant help, and we hope to see more coaches in our next meeting
